

A group of people, including men and women, are singing in a church choir. They are standing behind a decorative metal railing on a raised platform. In the background, a large, ornate organ is visible, featuring multiple tiers of pipes and a central console. The organ has a plaque that reads "SZENT IMRE HERCEG HALÁLAHÁZ 900. év. JUBIL." and "1800-1900 ÉVES". The scene is lit by warm, indoor lighting, and the overall atmosphere is solemn and reverent.
